#### SPRING MESA METROPOLITAN DISTRICT 2021 BUDGET SUMMARY OF SIGNIFICANT ASSUMPTIONS

#### Services Provided

The District was originally formed as the Eldorado Hills Metropolitan District on April 16, 1991, as a quasi-municipal organization established under the State of Colorado Special District Act. The District legally changed its name to Spring Mesa Metropolitan District in September 2003.

The District is governed pursuant to provisions of the Colorado Special District Act (Title 32, Article 1, Colorado Revised Statutes). The District operates under a Service Plan approved by the City on October 9, 1990, and as amended in March 2003. The District's service area is located in the City of Arvada, in Jefferson County, Colorado.

The District was established to finance and construct certain public infrastructure improvements that benefit the citizens of the District. Public improvements are to be dedicated to the City or retained by the District for the use and benefit of the District's inhabitants and taxpayers. The District consists of 272 residential units.

The District has no employees and all administrative functions are contracted.

The District prepares its budget on the modified accrual basis of accounting in accordance with the requirements of Colorado Revised Statues C.R.S. 29-1-105 using its best estimates as of the date of the budget hearing. These estimates are based on expected conditions and its expected course of actions. The assumptions disclosed herein are those that the District believes are significant to the budget. There will usually be differences between the budget and actual results, because events and circumstances frequently do not occur as expected, and those differences may be material.

#### Revenues

#### **Property Taxes**

Property taxes are levied by the District's Board of Directors. The levy is based on assessed valuations determined by the County Assessor generally as of January 1 of each year. The levy is normally set by December 15 by certification to the County Commissioners to put the tax lien on the individual properties as of January 1 of the following year. The County Treasurer collects the determined taxes during the ensuing calendar year. The taxes are payable by April or, if in equal installments, at the taxpayer's election, in February and June. Delinquent taxpayers are notified in August and, generally, sale of the tax liens on delinquent properties are held in November or December. The County Treasurer remits the taxes collected monthly to the District.

The calculation of the taxes levied is displayed on the Property Tax Summary page of the budget using the adopted mill levy imposed by the District.

#### Specific Ownership Taxes

Specific ownership taxes are set by the State and collected by the County Treasurer, primarily on vehicle licensing within the County as a whole. The specific ownership taxes are allocated by the County Treasurer to all taxing entities within the County. The budget assumes that the District's share will be equal to approximately 7% of the property taxes collected.
